

Republic of Iraq

Prime Minister's Office

The Higher Committee For Education Development

جمهورية العراق
مكتب رئيس الوزراء
اللجنة العليا لتطوير التعليم

Free registration which includes a booth with a table and two chairs , meeting more than 3500 scholarship students from HCED & the Ministry of Higher Education, meetings with high officials from Iraqi universities & the Ministry of Higher Education, help in obtaining Iraqi visas, free transportation from Baghdad International Airport and back, and workshop on the Iraqi education system.

Finally, I would like to touch on the security situation which is of a concern to you and to us. We can assure you that all necessary measures have been taken to insure a safe environment to all participants as well as the compound. The fair location will be inside the International Zone which is highly protected and secure. Also, transportation from the airport and back will be protected by the security detachment of the Prime Minister's Office. Also, there will not be any visits to any of the colleges or universities outside the International Zone.

Again, we hope that you will be able to participate in our fair and please let me know if you have any questions that you would like to ask.
