# Silicon Valley Innovation & Startups Summer Program

2 Weeks Program (7/5 - 7/16)

Engage, explore and implement innovative ideas and technology in hands-on global projects with students from around the world cooperatively in Silicon Valley.

# SV Innovation & Startups Summer Program

**Discover & Experience** the Silicon Valley Pioneering spirit through innovation & creativity, collaborative team work, global leadership, marketing and business operations taught by Silicon Valley business leaders and entrepreneurs.

**Search & Explore** Silicon Valley and the surrounding San Francisco Bay Area where technology was born and is being developed today.

**Network & Collaborate** with Silicon Valley “Insiders” from the leading edge technology industry and students from around the world.
